# *Invitation ~*

LOUADA  
MARSHALL

To you as Shorthorn breeders and friends, we extend a hearty invitation to inspect our eighth annual offering which we proudly list in this catalogue. Although reduced in numbers as a result of the loss of some of our early consignors, the addition of strong entries from new contributors and the ever-improving quality of the consignments from our "Old Guard" should make this the most pleasing lot of cattle we have yet presented.

During the past year, breeders connected with this sale have carried off a major share of the awards at our leading shows. In the recent International Congress sale at Chicago, these herds were largely responsible for setting the average of the Canadian consignment at such a high level. The six Canadian bulls averaged over \$2341. and the six Canadian females \$1189. The same bloodlines are well represented in this sale, as well as others of the best available in the Shorthorn herds of Canada, Great Britain and the United States.

Whether or not you plan to be a purchaser, you are cordially invited to attend the sale and inspect the offering.

# Terms - Conditions - Guarantee

---

1. TERMS — CASH.
2. Cattle offered in this sale are tested Federally for tuberculosis and believed thoroughly healthy. Except in the case of heifers officially vaccinated within twenty-two months of the sale, making them eligible for export without test, all animals will have been given a Federal test for Bang's Disease within 30 days of the sale. They will also be inoculated for shipping fever. Health charts required for export, or for shipment to points in Canada, will be provided.
3. Proper care should be given by purchaser to protect breeding qualities and health of animals. Any cattle in this sale that are fitted for exhibition purposes by their new owners are excluded from the following guarantee.
4. All bulls are guaranteed breeders. If bull when sold is 14 months of age or over and fails to breed, he must be reported in writing to the consignor within six months of the date of sale. If under 14 months of age when sold and fails to be a breeder, he must be reported by the time he attains the age of 20 months. A bull shall not be allowed to serve when under 14 months of age or be allowed to run with the herd when under 20 months of age.
5. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot, and heifers under 14 months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within six months of date of sale not proving in calf must be reported within six months. Females over 14 months of age sold open, not settling within 6 months of date of sale shall be promptly reported.
6. Any animal not complying with the foregoing guarantee shall be replaced with another animal of equal value at the time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option. However, the seller may, if he desires, have the animal returned for retrial for a period not to exceed 6 months. The expense of the return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller.
7. A certificate of registry in the Canadian Shorthorn Herd Book will be furnished with each animal.
8. We will not be responsible for accidents that may occur. As soon as animals are sold they will be at the purchaser's risk, but an attendant will be left to care for them following the sale, and they will be loaded free of cost. Neither the Sale Manager nor the Clerk assumes any liability, legal or otherwise.
